

Support Signposts

We understand that the cost of living crisis is affecting so many people, and so we have pulled together some links across North Somerset and Somerset, with the aim of signposting available support.

If you become aware of any other support that becomes available please email your school with the details so that we can share with others.

FoodBank

Warm Spaces is an online directory of 'Warm Banks' where anyone in need of warmth can find a place to share that will provide warmth, welcome & help. <https://warmspaces.org/spaces>

Domestic Alternative Fuel payment

Government confirms details of a single £200 payment to help households in Great Britain that use alternative fuels like heating oil, LPG gas etc. Most households eligible for the AFP support in Great Britain, will receive payment automatically via their electricity supplier in February, with no need to take any action. Those households who will need to apply for the AFP, for example because they do not have a relationship with an electricity supplier, will be able to do so in February, through the same GOV.UK portal as the one that will be used to apply for support under the EBSS Alternative Funding scheme.

Free School Meals

If your family is on a low income or in receipt of benefits your children may be eligible for free school meals. Follow the below links to make an application for each child in the family. If successful your child will be able to receive free school meals throughout their primary and secondary education and may also receive financial help from the school to support costs of trips and extra curricular activities.
